**CONDOLENCES**

**Victims of Sri Lanka Terrorist Attacks (read by Mayor Waller)**

On 21 April 2019, 250 lives were lost and hundreds injured in bombings at three churches and three hotels in Colombo, the capital of Sri Lanka.

The victims were ordinary people – men, women and children. To see hundreds of lives so brutally taken away by acts of terrorism is devastating.

Many people in Liverpool, particularly the Sri Lankan community, were deeply affected by this horrific act. It is important that we express our sympathies and solidarity with Sri Lankans around the world at this time.

I express my deepest condolences to the families and friends of the victims at this difficult time. Everyone has a right to feel safe, included and respected, no matter where they live or the religion they follow.

On 21 March 2019, Liverpool City Council and the Western Sydney Migrant Resource Centre organised the signing of the Declaration of Cultural and Religious Harmony following the Christchurch terrorist attacks on 15 March 2019.

It pains our community to see unrest in the world around us – all because of intolerance and prejudice. However, let us not fall into despair, but instead remind ourselves to act with kindness and to reject hatred.

**Motion:** **Moved: Mayor Waller**

That Council write to the Sri Lankan Consulate expressing our condolences, solidarity and condemnation of violence.

On being put to the meeting the motion was declared CARRIED.

**Mark Wilson (read by Mayor Waller)**

Mark Wilson passed away suddenly after being hit by car on 16 May 2019.

Mark trained as an architect and joined Council in mid-2006 and worked in a number of roles in Assets, Infrastructure & Environment and in Property.

In his most recent role, Mark worked on several Property projects. He helped the State Emergency Service relocate from the Rose St Depot to a purpose-built facility at Hoxton Park Rd. He also assisted in repurposing the existing State Emergency Service facility to accommodate the relocation of Liverpool Men’s Shed.

Prior to this, he helped to deliver the North Wing at Council’s Hoxton Park Rd offices and bring Macquarie Mall to life.

The news of Mark’s passing is shocking and distressing to staff at Liverpool City Council. Mark will be remembered for his lovely presence. He always had a smile and was willing to help. Even when he had complex projects to manage, he did it in good humour.

The Liverpool community is grateful for Mark’s significant contributions to our city and our thoughts are with his family during this difficult time.

May Mark rest in peace.

**Motion:**                                 **Moved: Mayor Waller**                 **Seconded: Cllr Hadid**

That Council writes to the family of Mark Wilson expressing our condolences for their loss.

On being put to the meeting the motion was declared CARRIED.

One minute silence was then observed for the victims of the Sri Lanka terrorist attacks, Ken Dickinson and Mark Wilson.

**CONFIRMATION OF MINUTES**

**Motion**                                      **Moved: Clr Harle**                                      **Seconded: Clr Shelton**                                      .

That the minutes of the Ordinary Meeting held on 17 April 2019 be confirmed as a true record of that meeting.

On being put to the meeting the motion was declared CARRIED.

#### **MAYORAL REPORT**

**ITEM NO:** MAYOR 01  
**FILE NO:** 128444.2019  
**SUBJECT:** Australian Local Government Women's Association NSW Branch Annual Conference

Liverpool City Council hosted the Australian Local Government Women's Association NSW Branch (ALGWA) Annual Conference from 4-6 April 2019. More than 100 women from all over the state gathered at Casula Powerhouse Arts Centre to attend the networking forum.

This year's theme was "Make your Mark" and inspiring guest speakers included TV journalist Jessica Rowe AM, Olympic gold medallist Chloe Esposito and author and leadership mentor Avril Henry. Guests also participated in workshops about resilience and communicating with credibility.

Multiple units across Council were involved in organising this three-day conference. Congratulations to all staff members on their hard work.

The conference was a wonderful success and again put our city in the spotlight.

**RECOMMENDATION:****Motion:** **Moved: Mayor Waller**

1. That Council receives and notes this minute; and
2. Congratulate all staff involved.

On being put to the meeting the motion was declared CARRIED.

**ITEM NO:** MAYOR 02**FILE NO:** 128465.2019**SUBJECT:** Celebrating Major Infrastructure Projects

In May, Liverpool City Council celebrated two big openings of major infrastructure projects– Casula Parklands and the Bernera Road Extension. More than 1000 people attended each event.

Casula Parklands is a state-of-the-art adventure playground featuring play equipment for visitors of all ages and abilities and off-leash parks for small and large dogs.

The Bernera Road Extension is a new four-lane road stretching 1.35km that provides users easy access through Edmondson Park to the train station.

The new playground and road will make Liverpool an even better place to live, work and learn.

Large-scale projects like these require effort across multiple Council units, from City Infrastructure and Environment to City Presentation, City Community and Culture to Property. Congratulations to all of the Council staff who worked hard to make these projects happen, and those who put together the opening events for the community to enjoy.

**RECOMMENDATION:****Motion:** **Moved: Mayor Waller**

1. That Council receives and notes this minute;
2. Congratulate all staff involved.

On being put to the meeting the motion was declared CARRIED.

On being put to the meeting the motion was declared CARRIED.

**ITEM NO:** NOM 05  
**FILE NO:** 119816.2019  
**SUBJECT:** Warwick Farm

**Background**

Warwick Farm has undergone a massive change since the opening of the William Inglis Hotel last year. Parking has become very difficult around the train station making it difficult for the horse training industry. Truck usage has increased and conflicts between horses and trucks are getting worse. The unique feeling of Governor Macquarie Drive has been lost with the removal of the beautiful trees that lined it.

This motion calls on council to address these issues.

**NOTICE OF MOTION (submitted by Clr Ayyad)**

That Council:

1. Investigate parking restrictions on the streets of Warwick Farm near the horse trainers precinct and report back to council at our next meeting. This should include 4 hour parking or parking permits for residents;
2. Investigate ways to improve, beautify, and increase maintenance in Warwick Farm acknowledging there has been a significant change in the last year and a half with the opening of the 5 star William Inglis Hotel and conference centre. Report this back to Council at our July meeting;
3. Investigate ways to replant the large trees on Governor Macquarie Drive that were lost with the recent road widening and plant a boulevard of mature trees with a report to come back to Council in July; and
4. Conduct a count of truck usage with a report to come back to Council about solutions and strategies on how to minimise truck movements and improve safety for residents and horse trainers.

**COUNCIL DECISION****Motion****Moved: Clr Ayyad****Seconded: Clr Hadchiti**

That Council:

1. Investigate parking restrictions on the streets of Warwick Farm near the horse trainers precinct and report back to Council at our next meeting. This should include 4 hour parking or parking permits for residents;

3. Investigate ways to replant the large trees on Governor Macquarie Drive that were lost with the recent road widening and plant a boulevard of mature trees with a report to come back to Council in July;
4. Conduct a count of truck usage with a report to come back to Council about solutions and strategies on how to minimise truck movements and improve safety for residents and horse trainers. Previous counts to be put forward also;
5. Note the land acquisition funds are in the general reserves budget to be used to finalise the by-pass road for trucks travelling through Warwick Farm. Note that Council is waiting on the RMS report and request a report to be submitted to the June 2019 Council meeting as to the progress.
6. Council staff to consult with the Warwick Farm residents within the first two weeks in July 2019 on the Local Strategic Planning Statement (LSPS).  
  
A community meeting to also subsequently be convened with residents, landowners, and other stakeholders as soon as practicable on the future of the Warwick Farm equine precinct.
7. Bring any outstanding proposals to Council as soon as practicable with an update (which includes when information will be received) to be provided to the June 2019 Council meeting.

On being put to the meeting the motion was declared CARRIED.

Councillors voted unanimously for this motion.

## RECESS OF COUNCIL

## QUESTIONS WITH NOTICE

**ITEM NO:** QWN 01  
**FILE NO:** 081484.2019  
**SUBJECT:** Question with Notice - Clr Hagarty - Realising Opportunity in the Transformation of Western Sydney

### Introduction

Western Sydney is undergoing rapid transformation. The City Deal, Western Sydney Airport and the Aerotropolis are set to deliver unprecedented employment, education, social and cultural benefits to the region.

It's vitally important the people of Liverpool and Western Sydney, including the most disadvantaged, are the primary beneficiaries of these opportunities.

Please address the following:

**1. What percentage of the executive and boards of the Western City and Aerotropolis Authority and WSA Co. live in Western Sydney?**

Western Sydney Airport Company was established in August 2017 to develop and operate Western Sydney Airport. Its offices are in the Liverpool CBD.

Western Sydney Airport is a Government Business Enterprise incorporated under the *Corporations Act 2001* (Cth) and operates under the *Public Governance, Performance and Accountability Act 2013* (Cth). Western Sydney Airport is wholly owned by the Australian Government, represented by the Minister for Finance and the Minister for Urban Infrastructure as shareholder ministers.

An experienced Chair and Board have been appointed to govern Western Sydney Airport's work on the airport project. A Board Charter sets out, amongst other things, conditions relating to the Governance Legal Framework, the role and responsibility of the Board, and the Board size, composition and independence.

The Authority's Board was appointed in February 2019 by Federal Minister for Cities, Urban Infrastructure and Population and the NSW Minister for Western Sydney. Based on publically available information, the Board is comprised of a Chairperson and six Directors, two of whom are long-time residents of western Sydney.

The Board is responsible, subject to consultation with the Shareholder Ministers for the appointment, removal or replacement of the CEO. Other Executive positions are appointed on the basis of the Australian Public Service Commission recruitment guidelines and must be based on merit.

The Western City and Aerotropolis Authority (WCAA) is a NSW Government Agency and was jointly established by the NSW and Australian Governments, under the Western Sydney City Deal, to facilitate the design and delivery of the Western Sydney Aerotropolis and support the growth of the Western Parkland City.

Based on publically available information, the Board is comprised of a Chairperson and four Directors, one of whom is a former CEO of a western Sydney Council and a long-time resident of western Sydney.

The WCAA CEO was appointed in November 2018. All other Executive appointments will be in accordance with the merit-selection rules under the Government Sector Employment Act 2013.

It should be noted that in August 2018, a skills matrix was endorsed by the Western Sydney City Deal Leadership Group, as a tool to guide nominations of directors to the Board of the WCAA, following earlier consideration by Mayors and General Managers and CEOs of the eight Councils. Of the thirteen skills identified, two referred explicitly to “Local Government Expertise” and “Local Knowledge” (specifically a background or experience in western Sydney).

**2. What pathways from primary to high schools to TAFE and/or University are being provided for the people of Liverpool and Western Sydney as part of the City Deal, Western Sydney Airport and other related initiatives?**

The Western Sydney City Deal has set an ambitious target of creating 200,000 new jobs within the Western Parkland City across a wide range of industries over the next 20 years.

The Western Sydney Airport and the adjoining Aerotropolis are central to the tri-government efforts to supercharge jobs creation in the region by acting as a catalyst for employment growth in the metropolitan centres of Liverpool, Penrith and Campbelltown as well as the broader region.

A suite of initiatives are planned or have commenced under associated commitments that seek to provide a comprehensive and integrated framework for maximising pathways from education and training through to employment in existing and emerging areas. Examples are as follows:

- With regard to the Aerotropolis, the NSW Government has stated its intent to achieve an integrated education system with good secondary/VET/University pathways. Giving effect to this is at a preliminary stage amongst the Aerotropolis foundation partners but already a Statement of Intent has been signed by the four members of a potential new STEM University (UNSW, University of Newcastle, UOW and WSU). Other elements within the overall approach include a Vocational Education Training facility with a focus on construction, aviation and aeronautical-related engineering; and a new Public High School with vocational links to Western Sydney Airport and

- the aerospace and aviation industries, preparing students for future job opportunities.
- Particular efforts are being placed on Indigenous, social and local participation targets through employment and procurement for construction projects. WSA Co, for example, has committed a 2.4 percent Indigenous employment target during the airport's construction, and a 3 percent Indigenous procurement target for construction projects. More broadly, an Indigenous small business and skills package will be delivered across the region.
  - WSA Co have also committed to a 30 percent local workforce target during construction and 50 percent once operational.
  - Within Liverpool, Council officers continue to work with State and Federal colleagues around the establishment of a TAFE Skills Exchange located near the airport to provide local training for the workers needed to construct the airport and other major projects; and the opening of an Indigenous Opportunity Hub for young Aboriginal students to improve educational and training outcomes linked to job opportunities within Liverpool.
  - With regard to the Liverpool Innovation Precinct, education pathways was the subject of discussion within a recent workshop involving DET, TAFE, UNSW, WSU, UOW and the SWSLHD to explore issues and opportunities and start to map out a forward plan of action. Across the region, the Department of Education are committed to learning pathways as a key element of its educational rationale.
  - Similarly, UOW offers a number of pathways to university through the UOW College. For example, the University Access Program provides an alternate pathway to UOW, and successful completion of college diplomas guarantees a spot on university courses. UOW also has an Outreach and Pathways Team that delivers programs in 16 high schools in and around Liverpool to raise aspirations and support access to higher education (including university and TAFE).

TAFE NSW supports local school students through a number of pathways:

- Providing courses for disengaged Youth through Community Service Obligation funding. Courses are delivered over 45 hours in a variety of industry areas to give students an experience in Adult Learning, and to encourage re-engagement in education. There are 7 programs scheduled for delivery across Liverpool and Miller in Term 2 for over 100 students.
- Training 243 students across nine TVET course offerings including Community Services, Construction, Electro technology, Plumbing, Screen and Media, Business Services, Financial Services, Retail Cosmetics and Salon Assistant.
- Staff also host college tours, Career Advisor Days, Taste of TAFE days. They attend Career Information Sessions and speak to student cohorts. TAFE also participate in local career expos to promote pathway options, such as the Making the Connection

for Health Event at Liverpool Hospital.

- TAFE NSW is an active member of the Liverpool Innovation Precinct, and chair for the Integrated Health High School Sub Committee for Liverpool, focused on student transition and pathway planning in partnership with local universities and health.

### **3. What is being done to address the digital divide as part of the City Deal's 'Digital connectivity and smart technology' deliverable?**

The stated vision for the new Western Parkland City is that it will be one of Australia's most connected cities in which innovative public transport, aviation and digital infrastructure will bring residents closer to jobs, centres, and education. Enhanced connectivity and accessibility for all are thus regarded as crucial outcomes to the collective efforts.

The City Deal set out four commitments to develop digital infrastructure and create one of Australia's most connected cities:

- 5G strategy which includes a trial of 5G technology in the Western Parkland City;
- Western Sydney Digital Action Plan (led by local government);
- Smart Western City Program to enable NSW agencies to embed interoperable smart and secure technology – such as transport and utility monitoring systems – into new infrastructure as it is rolled out;
- Openly available data sets.

A steering group comprising Liverpool, Campbelltown and Wollondilly Councils, along with State and Federal government representatives has met regularly for the past six months to oversee and ensure integration of the four commitments. A group of the eight councils was also formed last year to lead the Digital Action Plan and the Western Sydney Sensor Project (the roll-out of a Federally funded Smart City grant).

Last year a decision was made to run an industry-engagement process for the four commitments. The technology sector was invited to co-develop the digital Western Parkland City and build a world leading Smart City. The intention is to hear about the available technology that complements and enhances major development projects. The expectation is that connectivity, energy and utility management, smart phones, smart poles, personal applications and the issue of data to generate insight will be part of the digital Western Sydney Parkland City.

A briefing was held in February. The prospectuses are now being assessed and a selected number will be invited to pitch their solution and some will be invited to a co-development incubation process.

More information can be found here:

<https://launch.innovation.nsw.gov.au/DigitalWesternParklandCity>

The tri-government approach will continue to drive the work under the four commitments, and will monitor progress regarding the use and provision of information and communication technologies within the Western Parkland City.

**Motion:**                                      **Moved: Cllr Hagarty**                      **Seconded: Cllr Hadchiti**

That Council write to the relevant authority requesting that “Bridging the digital divide” be added as an additional commitment to the City Deal’s commitments to develop digital infrastructure.

On being put to the meeting the motion was declared CARRIED.

**FILE NO:** 085670.2019  
**SUBJECT:** Question with Notice - Clr Hadchiti - Council Buildings Compliance

Please address the following:

**1. Do all Council buildings comply with The Building Code of Australia (BCA)?**

Council buildings are required to meet the prevailing building standards at the time of construction, in this respect Council buildings would have been required to have met the Ordinance 70 or subsequent BCA regulations at the time of construction. Although BCA standards and requirements may change over time, the obligation to upgrade to the current BCA standards is only required upon any substantial building upgrades or renovations being undertaken. It is therefore considered that all Council buildings meet the requirements of the BCA, though older facilities are not compliant with the current building standards.

**2. Do all Council buildings comply with current fire standards?**

Council has a Fire Consultant engaged to undertake Annual Fire Safety Statement (AFSS) certificates for Council buildings. Annual Fire Safety Statements are maintained in order to ensure that subject buildings comply with relevant fire testing standards. The Fire Consultant engaged by Council has undertaken inspections for all buildings for which an AFSS is required. There are buildings where final certificates have not been issued due to non-compliance or defects having been identified at the time of inspection. Councillors have been supplied with ongoing and updated lists of these facilities progressively over the past 6 months. In order to address necessary outstanding upgrades, buildings works are currently in progress to ensure compliance, after which a final AFSS can be issued for those facilities.

**ITEM NO:** QWN 03  
**FILE NO:** 085674.2019  
**SUBJECT:** Question with Notice - Clr Rhodes - Western Sydney Planning Partnership

Please address the following:

- 1. Can Council please give details about Liverpool Council's engagement in the Western Sydney Planning Partnership concerning the transition for planning the Western Sydney Aerotropolis from the Department of Planning and Environment to the Planning Partnership?**

The Western Sydney Planning Partnership (WSPP) is one of the 38 commitments within the Western Sydney City Deal. This City Deal commitment has been promoted to:

- Deliver better, more efficient planning outcomes within the regions;
- Accelerate the transformation and development of the region; and
- Maximise the benefit from the new Western Sydney Airport.

Liverpool Council is a representative of the WSPP, a new and collaborative approach to planning involving eight other council's, the GSC, DPE, TfNSW, Syd Water and INSW.

Liverpool Council's engagement in the WSPP has, to date involved:

- Assisting with the establishment of the WSPP Project Office including recruitment of staff funded by State and Commonwealth resources with the Director administratively employed by Council (paid by State);
- Identifying staff to work on secondment within WSPP project teams;
- Liaison with DPE regarding funding to support WSPP operations and the scope of works for priority projects to be undertaken by the WSPP; and
- Chairing of the WSPP Project Control Group (PCG) by our Director City Economy and Growth.

- 2. What part will Liverpool Council be playing in the recommendation, determination and or delivery of plans for Zoning, Land Use, Infrastructure and Precinct Plans for the Aerotropolis and South Creek lands in the Liverpool LGA?**

Stage 1 of the WS LUIP was prepared by the DPE and exhibited for public comment from 21 August to 2 November 2018.

The Stage 1 LUIP - a high-level structure plan for how development in the Aerotropolis

could be arranged - identifies three initial precincts.

The Minister for Planning has requested that the WSPP prepare the next more detailed stage of the LUIP and more detailed planning to rezone the three initial precincts.

Liverpool will play a role on this work via staff seconded to work within project teams and through the PCG. The WSPP will then make recommendations to the Minister for Planning in relation to land use, zoning and infrastructure.

The Stage 2 LUIP and detailed precinct plans will be subject to further detailed community engagement, ahead of any decision that the Minister for Planning will make in relation to these plans. The WSPP is working with the DPE and the Minister for Planning to confirm the timelines for when the Stage 2 LUIP and detailed precinct plans will be completed.

**3. What is Liverpool Council’s community consultation process and how and when will it be addressed in the decision making process in regard to Liverpool Council’s engagement as a partner in the Planning Partnership?**

Through council’s involvement the need for deep and regular engagement with the community has been tabled and the WSPP has acknowledged this.

A communications strategy will be prepared by the Partnership Office and endorsed by the WSPP PCG, and will form the basis of all communications over the life of the Planning Partnership.

Staff will keep councillors informed of any community engagement strategies to guide this work, as they are developed.

**4. Will the Western Sydney Planning Partnership still be in place if there is a change of Federal Government at the upcoming elections?**

With the result of the federal election, this is no longer relevant.

For the record, on 14 August 2018 the Shadow Minister for Infrastructure, Transport, Cities and Regional Development Anthony Albanese wrote to the Mayor and confirmed that a Federal Labor Government would continue with the work established with the City Deal, subject to some reform and renaming it City Partnerships.

The letter acknowledged the hard work that Western Sydney councils have put into the City Deal and that there would be no changes that diminish any of the benefits Local government has achieved.

**FILE NO:** 086194.2019  
**SUBJECT:** Question with Notice - Cllr Shelton - Parking

Please address the following:

1. A constituent has enquired as to whether the very modest provision of some dedicated motor scooter and motor bike parking areas within the CBD would go some small way toward alleviating parking congestion, that is, by not requiring a motor scooter or motor bike to occupy one whole space (acknowledging they do not always do this). At any rate, please advise whether there are any plans to create in a limited way such dedicated parking areas; and
2. Whether also there is any research (even anecdotal) as to the likely impact of as much even if negligible on parking availability, and whether it is thought there is a benefit in addressing as much in a more detailed manner in the future.

## **Response**

### 1. Motorcycle parking provision

Council presently provides approximately eight dedicated motorcycle parking spaces in the Northumberland Street and Bathurst Street car parks.

In addition, on-street motorcycle parking is permitted where vehicle parking is permitted. In the Liverpool City Centre, motor cyclists are allowed to park without the need to display a parking meter ticket as a result of a Council resolution from the meeting of Council held on 23 July 2012.

The current motorcycle parking spaces are not fully occupied. As a result, Council has no immediate plans to increase the number of dedicated motorcycle parking space in the short term.

Council's Development Control Plan (DCP) requires developers to provide at least 1 on-site motorcycle space per 20 car spaces in all developments in the Liverpool City Centre to ensure that adequate provision is made for motorcycle parking.

In addition, Council will be completing a review of the 2017 Liverpool City Centre Precinct Car Parking Strategy report prepared by GTA Consultants within the next 3 months to ensure alignment with the Liverpool City Centre Public Domain Master Plan. This review will include motorcycle parking demand in the City Centre and if required, recommend staged provision of additional spaces.

2. Research - impact of motorcycle parking

There is no available information about motorcycle usage in the Liverpool Local Government Area and its impact on car parking demand. However, as a transport mode, it is recognised that motorcycle usage can reduce car parking demand. The advantage of motorcycle parking is that it occupies less parking area compared to a motor vehicle. In general, one parallel car parking space can be linemarked to accommodate five motorcycles.

**FILE NO:** 116853.2019  
**SUBJECT:** Emergency Services Levy

### Background

Each year, the NSW Government collects payments from councils and insurers to fund emergency services agencies in NSW, with councils required to pay 11.7 per cent of the budget required by NSW Emergency Services. These charges are embedded in council rates and insurance premiums.

From 1 July 2019 the NSW Government plans to collect an additional \$160 million (in 2019/20) from NSW councils, communities and those paying insurance premiums to provide better workers' compensation coverage for volunteer and career firefighters who are diagnosed with one of 12 specific work-related cancers.

Councils were sent bills with a letter from Revenue NSW in May 2019, saying NSW council contributions will increase by \$19 million in 2019/20. The letter also foreshadowed increases in the following year, but not the amount.

The total emergency services levy contribution for Liverpool City Council for the 2019/2020 financial year will be \$2,155,621.39. This is an increase of \$292,095.51 on last year's levy, or 16%. This will mean council will need to find additional funds and/or cut planned initiatives or services.

Council no doubt supports career and volunteer firefighters in NSW – as it does all emergency services workers and volunteers. Indeed, many council staff and councillors are volunteers.

However, the sector was at no point advised that it would be required to cover the cost via significant increases to the emergency services levy, or what this cost would be.

The extra \$292,095.51 Liverpool is being asked to pay is a large amount and the impact of this unplanned cost will certainly be felt by the community.

It only fair that the NSW Government fund the first 12 months of this extra cost and work with local governments to ensure the implementation of the funding mechanism is fairer into the future.

**NOTICE OF MOTION (submitted by Cllr Hagarty)**

That Council:

A. Notes:

- a. That last December, the NSW Government enacted laws to provide better workers compensation coverage for firefighters who are diagnosed with one of twelve specific work-related cancers.
- b. That in many areas of NSW, fire services are made up of elected and staff members of local government, and that local governments strongly support this expanded workers compensation scheme.
- c. That as a result of these changes, the State Government has decided to implement the new scheme by charging local governments an increased Emergency Services Levy, without consultation.
- d. That the expected increase in costs to local governments will be \$19m in the first year alone, and that there is little or no time to enshrine this charge in Council's 2019/2020 budgets.
- e. That Local Government NSW has long advocated for the Emergency Services Levy to be significantly modified to ensure it is transparent, equitable and accountable.

B. That this Council supports Local Government NSW's calls for:

- a. The NSW Government to cover the initial additional \$19m increase to local governments for the first year; and
- b. the NSW Government to work with NSW local governments to redesign the funding mechanism for the scheme to ensure fairness into the future.

C. Requests that the CEO liaise with Local Government NSW to provide information on:

- a. The impact on council budgets; and
- b. Council advocacy actions undertaken.

D. Directs the CEO to:

- a. Write to the NSW Premier and NSW Interim Opposition Leader, NSW Minister for Customer Services, NSW Minister for Emergency Services, Minister for Local Government and Shadow Minister for Local Government, and local state member/s to:

- i. call upon the NSW Government to fund the 12 months of this extra cost rather than requiring councils to find the funds at short notice when budgets have already been allocated.
  - ii. explain how this sudden increase will impact council services / the local community.
  - iii. highlight that councils were not warned of the increased cost until May 2019, despite the new laws being passed in November 2018.
  - iv. explain that the poor planning and implementation of the increase is inconsistent with the Government's commitment to work in partnership with the sector.
  - vi. ask the Government to work with local governments to redesign the implementation of the scheme to ensure it is fairer for councils and communities into the future.
- b. Copy the above letter to Local Government NSW.

**COUNCIL DECISION**

**Motion**

**Moved: Clr Hagarty**

**Seconded: Clr Shelton**

That the recommendation be adopted.

On being put to the meeting the motion was declared CARRIED.

**SUBJECT:** Wood Encouragement Policy

### **Background**

Wood Encouragement Policies require responsibly sourced wood to be considered, where feasible, as the primary construction material in Government building and fit out projects.

Canada, Japan, France, Finland, Netherlands and the UK, over a dozen Councils across Australia and Tasmania have all adopted a Wood Encouragement Policy.

The use of wood as a building material has many benefits over other building materials. Amongst them:

- faster to build, saving time and money
- uses much less energy to produce
- tackles climate change through carbon sequestration
- is naturally renewable and abundant

Recent examples of wooden public buildings include Melbourne City Council's 'Library at the Dock', Bunjil Place in the City of Casey and Bold Park Aquatic Centre in WA.

With a large capital works program, including a number of notable public buildings, planned for Liverpool over the coming years, Council should have a Wood Encouragement Policy in place. This will ensure a cost effective, aesthetically pleasing and environmentally friendly building product is considered for these projects.

### **NOTICE OF MOTION (submitted by Cllr Hagarty)**

That Council:

1. Commence work on a draft Wood Encouragement Policy and bring this back to Council by the November 2019 Council Meeting;
2. Provide Councillors a briefing on:
  - the benefits of a Wood Encouragement Policy; and
  - examples of wooden public buildings that have been developed as a result of Wood Encouragement Policy.

**COUNCIL DECISION**

**Motion**

**Moved: Cllr Hagarty**

**Seconded: Cllr Kaliyanda**

That Council:

1. Commence work on a draft Wood Encouragement Policy and bring this back to Council by the November 2019 Council Meeting;
2. Provide Councillors a briefing on:
  - the benefits of a Wood Encouragement Policy; and
  - examples of wooden public buildings that have been developed as a result of Wood Encouragement Policy.
3. Submit a motion to the Local Government Conference on this matter.

On being put to the meeting the motion was declared LOST.

**SUBJECT:** Compliance Levy

### **Background**

Council has previously introduced a compliance levy payable at lodgement of all development applications.

The compliance levy is just another burden on home ownership and along with the increase in Section 94 (7/11) fees Council adopted recently the dream of owning your own home just seems to get further away.

Fast track development applications have been in effect for some time now and has reduced the time and work for a development application to be processed.

These applications are low risk in nature.

### **NOTICE OF MOTION (submitted by Clr Hadchiti)**

That Council effective 1<sup>st</sup> July 2019 cease to apply the compliance levy on development applications that are submitted via Fast Track Lodgement.

**SUBJECT:** Parking Meters

### **Background**

Parking meters were introduced into the CBD some 8 years ago with the ultimate aim of building more car parking spaces via a multi storey parking station.

Since that time besides for some at grade parking no multi storey car park has been built or planned.

The Bathurst Street extension and the closure of Pirie Street which would have accommodated a car parking station seem to have stalled.

At the March 2019 Council meeting it was established that the monies from parking meters were being directed to general funds as the period that Council had initially set out had expired.

Given that Council has not delivered on building a multi storey parking station, visitors to the CBD should no longer be burdened with paying car parking fees until such time as Council starts construction on a new multi-level car parking station.

### **NOTICE OF MOTION (submitted by Clr Hadchiti)**

That Council:

1. Effective 1<sup>st</sup> July 2019 switch of all parking meters currently in operation until such time that Council turns soil on a multi-level car parking station in the CBD; and
2. Establish the amount of funds received in parking meters that went into general revenue and direct these funds back into the parking reserve.

### **COUNCIL DECISION**

**Motion:**                                        **Moved: Clr Hadchiti**                                        **Seconded: Clr Rhodes**

That Council:

1. Acknowledges Liverpool has a Traffic and Parking problem in the CBD;
2. Present a plan back to Council by the December 2019 meeting that:
  - a) Removes all parking along identified streets that serve as the major traffic flow routes in and out of the CBD and have a look at all options;

- b) Has plans for a carpark at the southern end of the CBD that accommodates the maximum number of cars possible; and
3. Should the above not be completed with concrete plans by the December meeting, all parking meters be switched off the day after the Council meeting in December.

On being put to the meeting the motion was declared CARRIED.

Mayor Waller advised that Council would move into Closed Session later at the meeting to deal with Items CONF 01 and CONF 08 pursuant to the provisions of S10(A)(2)(c) and S20(A)(2)(a) of the Local Government Act 1993.
