PRESENTATIONS BY COUNCILLORS

Mayor Waller made a presentation regarding Council's Internal Ombudsman, Mr David Maguire. The Mayor's statement is below:

"Council's first appointed Internal Ombudsman Mr David Maguire is retiring tomorrow after nine years of working tirelessly at this organisation.

David started working at Council in January 2011 as a Governance Officer, a position he held for four years. Since then, David has worked as Council's Coordinator Governance, Acting Deputy General Counsel, Acting General Counsel and Acting Head of Audit and Risk, before moving to his current role three years ago.

As the Internal Ombudsman, David skilfully balanced protecting Council's reputation with looking after the customer and their needs. David's rational approach to difficult matters has been invaluable.

A trusted advisor with high moral standards, David's enthusiasm has had a ripple effect on the culture of the organisation. David always found a way to achieve a reason-based solution to a difficult problem.

On behalf of Council, thank you David for your passion and the contribution you have made to this organisation. We wish you all the best for a long and happy retirement."

NOTICES OF MOTION

ITEM NO: NOM 01
FILE NO: 190120.2020
SUBJECT: Georges River Koala Park

BACKGROUND

On 30 June 2020, a year-long NSW Parliamentary Inquiry released their report.

They found that koalas are on track to become extinct in the wild in NSW well before 2050 without urgent intervention to stop the destruction of their habitat.

This is shocking and appalling.

The 2019-20 bushfires destroyed almost a quarter of the koala habitat on public land, with some areas reporting "a devastating loss of up to 81 per cent". Furthermore, the Inquiry found that climate change is already "having a severe impact on koala populations", in part by affecting the nutritional quality of the eucalyptus leaves they feed on.

One of the recommendations of the Inquiry's report was creating a Georges River National Park to protect the south-west Sydney koala population. This is known to be the last disease-free koala population in NSW, and as such, should be protected from over-development in south-west Sydney.

Another recommendation was the establishment of a well-resourced network of wildlife hospitals in key areas of the state, including south-west Sydney, staffed by suitably qualified personnel and veterinarians, including funding where appropriate.

NOTICE OF MOTION (moved by Cllr Kaliyanda)

That Council:

1. Note the findings and report of the NSW Parliamentary Inquiry into Koala Populations and Habitats in NSW; and
2. Write to the NSW Premier, Gladys Berejiklian, and NSW Minister for the Environment, Matt Kean, to express support for the creation of a Georges River National Park, and establishment of a well-resourced wildlife hospital in south-west Sydney.

COUNCIL DECISION

This item was withdrawn as the matter was dealt with earlier in the meeting in item INF 02 Conservation of Koala Habitat Corridors on page 18 of these minutes.

2. Investigate the feasibility of including World Cup opportunities in the Destination Management Plan.

On being put to the meeting the motion was declared CARRIED.

ITEM NO: NOM 03
FILE NO: 190048.2020
SUBJECT: Better Funding of Health Services in Liverpool

BACKGROUND

The New South Wales Parliament is currently holding an inquiry into "Current and future provision of health services in the South-West Sydney Growth Region". The revelations at this inquiry have been shocking. Comparisons of the South West Area Health District with other Health Districts in Sydney have found:

- public health spending is up to \$800 per person less
- the least number of specialist mental health staff
- junior doctors committing suicide at higher rates

While additional investment in health infrastructure is welcome, this must be matched with funding for additional front-line services including more health professionals.

While it is still early days, the long-term effects for those who recover from COVID-19 include:

- scarred lungs and lung disease
- blood clots leading to stroke
- delirium and brain damage
- inflammatory illness similar to Kawasaki disease
- inflammation of the heart and arrhythmia
- chronic deep fatigue

The recent COVID-19 cluster in South West Sydney coupled with the revelations coming out this inquiry, have drawn urgent attention to the need for better funded health services in Liverpool.

NOTICE OF MOTION (moved by Cllr Hagarty)

That Council:

1. Acknowledges and commends the work of all health professionals in Liverpool during the COVID-19 pandemic;
2. Acknowledges and welcomes the \$740m investment from the NSW Government into the Liverpool Health and Academic Precinct; and
3. Recommits its support for the Liverpool Health and Academic Precinct;

8. Coordinates with WSROC and other LGAs in South West Sydney to collectively advocate for better health services funding in the South West Sydney Local Health District; and
9. Seek reassurance for the ongoing commitment for the development of a medical precinct in Badgerys Creek.

On being put to the meeting the motion was declared CARRIED.

.

ITEM NO: NOM 04
FILE NO: 190076.2020
SUBJECT: Toll Mania

BACKGROUND

Approximately 70% of Liverpool residents leave the LGA for work. With many traveling by car.

Given our location at the intersection of the M5 and M7, with easy access to major hubs, Liverpool is an area of choice for many transport and logistics companies.

Earlier this month the State Government imposed a new toll on the previously untolled old M5 East. Free since it opened in 2001, drivers will now be slugged \$6.95 for cars and \$20.86 for trucks.

These tolls do not just impact residents who travel for work, but also impact small business, many who are not just tolled once, but multiple times per day.

There was no grace period and the M5 Cashback scheme will not apply.

Previous toll roads have had grace periods to allow drivers to adjust to the roads. Not this time.

Currently, motorists in Sydney are charged a toll when they drive on the:

- M2
- M4
- M4 WestConnex
- M5
- M5 East
- M7
- M8
- Eastern Distributor
- Cross-City Tunnel
- Lane Cove Tunnel
- Sydney Harbour Bridge
- Sydney Harbour Tunnel

There will be at least three more tolls by 2023 when the following roads are completed:

- M4 tunnels

- M4-M5 link
- NorthConnex

Unsurprisingly, research from the Institute of Transport Logistics Studies at the University of Sydney has found Sydney has the greatest amount of tolled road in the world.

Dr Michelle Zeibots from the UTS Transport Research Centre has stated,

"Tollways aren't successful at reducing road congestion,"

The reason why governments continue to build them is that they are put under enormous pressure by the tollway industry and individuals sometimes within their own party, who I would suggest are there to see tollway businesses make a lot of money.

But that is at the expense of the general community and the local businesses of Sydney."

With the economy in recession for the first time in three decades, slugging families in Liverpool with additional tolls is unfair and must be reversed.

NOTICE OF MOTION (moved by Cllr Hagarty)

That Council:

1. Endorses the Premier's comments that the new toll on the old M5 East is "toll mania", noting that Sydney has the greatest amount of tolled road in the world;
2. Writes to the State Government requesting:
 - a toll-free period on the M8; and
 - the scrapping of the new toll on the old M5 East.
3. Writes to local State and Federal MPs seeking their endorsement of the above; and
4. Seeks support for this campaign from WSROC and other LGAs in south west Sydney.

COUNCIL DECISION

Motion:

Moved: Cllr Hagarty

Seconded: Cllr Hadchiti

That Council:

1. Note that Sydney has the greatest amount of tolled road in the world.

2. Write to the State Government requesting:
 - a toll-free period on the M8; and
 - Suggest the removal of the toll, or a cash back scheme, or other measures to alleviate the financial burden on residents on the old M5 East.
3. Writes to local State and Federal MPs seeking their endorsement of the above; and
4. Seeks support for this campaign from WSROC and other LGAs in south west Sydney.

On being put to the meeting the motion was declared CARRIED.

ITEM NO: NOM 05
FILE NO: 189999.2020
SUBJECT: Animal Welfare Advisory Committee

BACKGROUND

The closure of the Liverpool Animal Welfare Shelter in the interim of finding a permanent home has highlighted the opportunity for the community to become more involved in the delivery of better outcomes for the welfare, and rehoming of domestic animals in the Liverpool LGA.

It was envisioned that such a committee would be established when the Liverpool Animal Shelter re-opened.

It would serve Liverpool if the Committee was established prior to the new animal shelter opening to assist Council in Animal management now and when it is needed perhaps more than ever.

The network of concerned Animal lovers in Liverpool could greatly assist Liverpool Council through a Committee in assisting Council in educating and promoting responsible pet ownership by encouraging, registration, microchipping and rehoming.

A Community Committee would best serve Council in assisting in microchipped animals being returned to homes, or by providing foster homes for rehabilitation and or assistance, that would avoid animals being impounded.

NOTICE OF MOTION (moved by Cllr Rhodes)

That Council:

1. Provide a report on the establishment of an Animal Welfare Advisory Committee back to Council Meeting August 2020.
 The Committee would meet four times per year for the term of the committee and provide:
 - Advice to Council on domestic animal management matters including ways in which animal welfare can be continuously improved in the Liverpool LGA; and
 - Assist in promoting a positive view on options of responsible pet ownership and investigate, provide advice and recommendations relevant to programs that achieve this.
2. The Advisory Committee include two Councillors (one of whom will act as Chair), up to four representatives from the community who may be appointed as individuals or as representatives of local community organisations.

COUNCIL DECISION

This item was withdrawn as it was dealt with earlier in the meeting in item EGROW 02 Report back - Reference Group Charter Companion Animal Advisory Committee on page 7 of these minutes.

 - Notes that a third of NSW's population lives in Western Sydney, yet the region only receives 5% of State arts, heritage and events funding;

 - Writes to local State and Federal MPs seeking their endorsement of the above;
 - Seeks support for this campaign from other LGAs in the Western Parkland City;
