The Act also requires the Mayor, Councillors and staff to act honestly and responsibly when carrying out their functions, not taking advantage of their position to unduly influence other Councillors or staff in the performance of their duties or functions or use their position to obtain, either directly or indirectly, an advantage for them or any other person.
- 4.2 Councillors should exercise due care in undertaking their functions by acquainting themselves with the requirements of the *Local Government Act 1993*, Councils Code of Conduct, the details of the matters they are dealing with and any factors which may affect their involvement in decision making. If councillors are uncertain about an action or decision there are mechanisms in place to assist the councillors with seeking independent professional advice.
- 4.3 Access to a Council file, information or staff member can only be provided in accordance with this policy to ensure that access is obtained in ways that are legal and appropriate. The types of requests, authorisation requirements, and the manner of responses, restrictions and record keeping requirements are specified in Attachment A.
- 4.4 Councillors are entitled to have access to the council chamber, committee room, mayors' officer (subject to availability), councillors rooms, and public areas of councils buildings during normal business hours and for meetings. Councillors and administrators needing access to these facilities at other times must obtain authority from the CEO.
- 4.5 Councillors must not enter staff-only areas of council buildings without the approval of the CEO (or their delegate).
- 4.6 The Mayor and Councillors shall only make requests of staff that are relevant to the Mayor or Councillor's civic duties. If the Mayor or a Councillor requires information, action or advice in relation to a personal or private matter, they must follow the same process as any other member of the public. The statutory roles of the Mayor, Councillors and the Chief Executive Officer are detailed in Attachment B.
- 4.7 If a staff member receives a request from the Mayor or a Councillor which they consider may not be relevant to the Mayor or Councillor's civic duties, the staff member is entitled to require the Mayor or Councillor to demonstrate how the request relates to the Mayor or Councillor's civic duties. If the staff member is still not satisfied that the request relates to the Mayor or Councillor's civic duty, the staff member is entitled to refuse to action the request or advise the Mayor or Councillor of the normal process for members of the public to make such requests.
- 4.8 The Mayor and Councillors are entitled to access to all Council files, records or other documents where that information is identified under Schedule 1 of the *Government Information (Public Access Act) Regulation 2009* or relates to a matter currently before the Council. (Note, however, that the provision of access to legal advice will be dealt with in accordance with clause 4.7(e) of this policy and the

COUNCILLOR ACCESS TO INFORMATION AND INTERACTION WITH STAFF POLICY

provisions of Council's Legal Services Policy generally).

- 4.9 Councillors who are precluded from participating in the consideration of a matter under this code because they have a conflict of interest in the matter, are not entitled to request access to council information in relation to the matter unless the information is otherwise available to members of the public.
- 4.10 Where the Mayor or a Councillor receives an enquiry from a constituent with regard to an operational matter, the enquiry should be actioned as follows:
- a) For the Mayor, the enquiry should be made to the Executive Assistant to the Mayor to be forwarded to the relevant director for a response to be drafted in the Mayor's name within two ordinary days for signature and dispatch from the Mayor's office.
